The George Telegraph Training Institute is a ISO 9001:2008 certified Institute.

The most trusted name in developing high quality skilled human resources since 95 years!

We focus on changing lives by building career of youths through more than 50 vocational courses!

Our unique qualities are- industry compatible curriculum, meaningful training at affordable rates!

- >> To improve the quality of life by finding every aspirant a career.**
- >> Bring the best out of the huge potential among the youth of the nation.**
- >> Work towards achieving the national goal ... “Job for All”.**

Our Background at a glance

1920 ... we started our journey from the training centre at Sealdah.

The main objective was to solve the unemployment problem of India and provide a means of livelihood to the youth of average merit.

Since then the Institute has grown to establish more than 50 training centres across eastern India.

Continuous growth and phenomenal acceptance has set up the name of the Institute.

Board of Studies

Our valued torch bearers

The Board of Studies consists of leading corporates who advise and help in designing, fine tuning and updating our courses in order to stay in sync with the advancement of technology. Some of the members of the board are:
